

Requesting immediate deletion of personal data and withdrawal of consent to the processing of personal data

I, the undersigned (full name)
(address)
(phone number) (e-mail)

(tax number or other identification data on the basis of which the administrator can find personal data related to this application in its data files) pursuant to Articles 7 and 17 of Regulation 2016/679 of the European Parliament and of the Council (EU) of 27 April 2016 on the protection of individuals with regard to the processing of personal data and on the free movement of such data, and repealing Directive 95/46/WE (General Data Protection Regulation, GDPR) hereby: (choose)

- ☐ I withdraw my consent to the processing of my personal data;
☐ I request the immediate deletion of my personal data.

This application is made on the basis of the following circumstances (please choose as appropriate):

- ☐ my personal data are no longer necessary for the purposes for which they were collected or otherwise processed;
☐ I withdrew my consent on which the processing is based in accordance with art. 6 sec. 1 letter a) or Art. 9 sec. 2 letter a), and there is no other legal basis for the processing;
☐ my personal data has been unlawfully processed;
☐ my personal data must be removed in order to comply with the legal obligation provided for in EU law or the law of the Member State to which the controller is subject

Date Legible signature

If this form is not submitted in the office of CAMSAT Gralak Przemysław, 86-050 Solec Kujawski, ul. Ogrodowa 2a, in person, only by means of a scanned document sent to the address camsat@camsat.com, the responsible person will provide feedback on the acceptance of the submitted request. Protecting personal data from unauthorized disclosure and ensuring the accuracy of personal data is one of the key objectives of the GDPR, therefore data subjects must accept the requirement to verify their identity. Otherwise, anyone could submit a request for personal data, and this could lead to unauthorized disclosure or use of personal data in an incorrect or unlawful manner.
